PART 2 GENERAL INFORMATION

The FAI Sporting (Competitors) Licence will only be issued to Full British Skydiving members.

The FAI Sporting (Competitors) Licence is valid for the calendar year (1st January – 31st December) and is renewable through the British Skydiving HQ. Sporting Licences will only be issued to UK Nationals/Residents (see Chapter 3 of the FAI Sporting Code).

The Sporting Licence is issued on behalf of the FAI and may be withdrawn at any time. The licence is valid in all countries represented in the FAI. It may be required to be produced at sporting events or to attempt records governed by FAI regulations.

The Sporting Licence will only be valid if this form is returned to the British Skydiving HQ, as British Skydiving is required to inform the FAI of all Licence applications/renewals, which are then included on an FAI database. If the database does not include the sporting licence holder's name, he/she will not be permitted to take part in the FAI sanctioned competition or record attempt.

Sporting Licences are not required for entry into the British National Championships. However, any competitor who feels he/she/their team may achieve a world record during the Nationals (or at any other time) must have (a) current Sporting Licence(s) prior to achieving that record. Any competitor who is selected to represent the UK at a World Championships or World Cup must have a current Sporting Licence and Stamp. These must be obtained at least one month before the event.
