Members' Skydiving Records

This page is not a definitive compendium of British Skydiving Members' Skydiving Records.

World and European Continental Record claims must be made to the criteria of FAI, the World Airsports Federation. World and European Continental record claims are normally made through British Skydiving where the record claim is by a British Skydiving Member and/or from a performance at a UK/British Skydiving event).

Click [here](#) to see the FAI Records.

To claim a British National Record, please complete and return Form 243b (UK National Skydiving Record). Claims are subject to verification before they appear on this page. Guidance and Requirements can found on Form 243a.

Records highlighted in blue have been broken, but have been kept for reference.
