However, any competitor who feels they or their team may achieve a world record during the Nationals (or at any other time) must have (a) current Sporting Licence(s) prior to achieving that record. Any competitor wishing to have a current Sporting Licence may obtain one at any time prior to the National Championship that is being applied for entry to. Applications for a Sporting Licence or Sporting Licence renewal must be made using British Skydiving Form 110 directly to the British Skydiving office. A fee applies. The Sporting Licence holder must be included on the FAI database by British Skydiving. Any competitor who is selected to represent the UK at an FCE must have a current Sporting Licence. These must be obtained at least one month before the relevant FCE, as British Skydiving is required to notify the FAI via the Royal Aero Club in order for the Sporting Licence holder to be included on the FAI database.**
